EDUCATION

Bachelor of Engineering (Civil Engineering)

Gujarat Technological University (GTU) | 2020 – 2023

CGPA: 7.83

Diploma in Civil Engineering

Swarnim Startup and Innovation University | 2017 – 2020

CGPA: 7.31

TECHNICAL & PROFESSIONAL SKILLS

Civil Engineering Software

- AutoCAD
- Revit

Engineering Skills

- Construction Project Management
- Site Supervision
- Infrastructure Development
- Renovation & Refurbishment Projects
- Quality Assurance & Safety Compliance

ABOUT ME

Results-driven Civil Engineer with professional experience in infrastructure development, construction supervision, and renovation project management. Skilled in planning, executing, and supervising civil engineering projects while ensuring quality control, safety compliance, and cost efficiency. Experienced in coordinating with architects, consultants, contractors, and government authorities to deliver projects within deadlines. Proven ability to manage renovation and infrastructure upgrades including structural works, plumbing systems, drainage planning, finishing works, and commercial facility redesign. Seeking to contribute strong technical and project management skills to challenging civil engineering projects.
